

[illegible]

Technical drawing of the M3.5x7.5L terminal block, showing top and side views with dimensions.

Top View Dimensions:

- Overall length: $10 \times (N+1) + 11.5^{+2}_{-1}$
- Pitch (center-to-center distance): $10 \times (N+1)$
- Terminal width: 6.5
- Terminal height: 15
- Mounting hole diameter: $\varnothing 4.3$
- Mounting hole offset from terminal center: 2.5
- Terminal pitch: 1.5
- Terminal width: 8.5
- Terminal pitch: 10

Side View Dimensions:

- Overall height: 18
- Terminal height: 8.8

Other Labels:

- M3.5x7.5L (Terminal designation)
- Nは極数 (N is the number of poles)

Technical drawing of the M3.5x7.5L terminal block, showing dimensions and a detail view.

Top View Dimensions:

- Overall length: $10 \times (N - 1) + 11.5 \pm 0.2$
- Length between terminals: $10 \times (N - 1)$
- Terminal pitch: 10
- Terminal width: 8.5
- Terminal offset: 1.5
- Block height: 15
- Top flange thickness: 6.5
- Bottom flange thickness: 2.5

Side View Dimensions:

- Overall height: 18
- Terminal height: 8.8

Detail View: A cross-sectional view of the terminal block showing the internal structure and the terminal pin.

Notes:

- M3.5x7.5L
- Nは極数 (N is the number of poles)
